Join ISMS!

As you begin your journey in medical school, you'll discover challenges, breakthroughs, camaraderie with your classmates and questions about what's next. The Illinois State Medical Society (ISMS) is here for you as a resource as you navigate your future in medicine.

A professional organization serving over 12,000 physicians, residents and medical students across Illinois, ISMS puts members and patients first. We support your future, your profession, your passion.

From exclusive members programs and publications to online resources and educational opportunities, ISMS offers you information when you need it – public health issues, educational funding and debt relief or the changing health care environment, we're here for your needs.

This is your chance to shape the future of medicine for you and your future patients. Invest in an ISMS membership and join us in our goal of improving the health and well-being of the patients of Illinois.

**Help maintain a strong ISMS.

Benefits of ISMS Membership

ISMS membership is an investment in your future. Your membership in ISMS:

- Strengthens the medical profession
- Protects patients' rights
- Creates a brighter future for you and your colleagues

ISMS represents your best interests throughout every stage of your medical career by advocating on behalf of you, the physicians of Illinois and the profession of medicine. There are many other benefits designed specifically for you as a medical student:

- Leadership opportunities with representation and advocacy at national, state and local levels
- Networking with colleagues and mentors
- 30% discount on all Epocrates® products
- News and publications such as **Illinois Medicine EXPRESS**, providing the latest public health news and legislative alerts vital to your continuing education
- Access to members-only resources on the ISMS web site, including exclusive free webinars, a medical legal library, and one-stop grassroots legislative advocacy directory
- Educational programs including the ISMS Medical Education Community Orientation (MECO) program, providing medical student members the experience of working directly with physicians in participating hospitals during a 4 – 6 week preceptorship

**ISMS wants you to succeed in medical school and throughout your career – we are your partner in practice.
