

RESOLUTION 12.2019-25 (A-20)
PERMITTING THE DISPENSING OF STOCK MEDICATIONS FOR POST-
DISCHARGE PATIENT USE AND THE SAFE USE OF MULTIDOSE
MEDICATIONS FOR MULTIPLE PATIENTS

ISMS Board Action Taken on 01/25/2020

Adopted Resolution 12.2019-25 (A-20), as submitted.

Council on Communications & Membership Advocacy Recommendation to
ISMS Board on 01/25/2020

The Council on Communications and Membership Advocacy strongly favored this resolution and noted appreciation that the policy proposal applies to stock medication distribution used by different specialties.

The Council on Communications & Membership Advocacy recommends that the ISMS Board of Trustees adopt Resolution 12.2019-25 (A-20).
