Governmental Affairs Council Recommendation to ISMS Board on 01/25/2020

The Council acknowledged the problems of homelessness and the need to address this crisis. However, the Council noted concerns that ISMS may not be the most appropriate entity to take this on and stressed the need for ISMS to remain focused on patient care, ultimately recommending non-adoption.

The Governmental Affairs Council recommends that the ISMS Board of Trustees not adopt Resolution 01.2020-35 (A-20).
