Governmental Affairs Council Recommendation to ISMS Board on 01/30/2021

The Council discussed issues such as Second Amendment rights and costs for insurance, what other states mandate as far as insurance for firearm ownership, and the member survey results and comments. The Council voted against directing ISMS to support legislation requiring that all firearm owners obtain liability insurance, as well as not supporting sending a similar resolution to the AMA House of Delegates.

The Governmental Affairs Council recommends that the ISMS Board of Trustees not adopt Resolution 12.2020-22 (A-21).
