

RESOLUTION 12.2020-25 (A-21)
SUPPORT FOR UNIVERSAL INTERNET ACCESS

ISMS Board Action Taken on 01/30/2021

Adopted Resolution 12.2020-25 (A-21), as submitted.

Council on Communications and Membership Advocacy Recommendation to
ISMS Board on 01/30/2021

The Council discussed whether there were any financial components to the resolution, as well as comments from members about whether this is outside of the mission of the organization. The Council further discussed the issues experienced when scheduling and having virtual appointments with patients. Overall, the Council felt that this resolution would aid in the delivery of patient care, and voted in favor of recommending adoption of the resolution as presented.

The Council on Communications and Membership Advocacy recommends that the ISMS Board of Trustees adopt Resolution 12.2020-25 (A-21).
