

RESOLUTION 12.2020-26 (A-21)
MITIGATING THE NEGATIVE IMPACT OF STEP THERAPY POLICIES
AND NONMEDICAL SWITCHING OF PRESCRIPTION DRUGS ON
PATIENT SAFETY

ISMS Board Action Taken on 01/30/2021

Adopted Resolution 12.2020-26 (A-21), as submitted.

Council on Medical Service Recommendation to ISMS Board on 01/30/2021

Council members strongly support this resolution, and along with the ISMS member-survey respondents, believe this issue is among the highest priorities for ISMS.

The Council on Medical Service recommends that the ISMS Board of Trustees adopt Resolution 12.2020-26 (A-21).
