

**RESOLUTION 11.2022-23 (A-23)**  
**BIRTH CONTROL AND PROPOSED RESEARCH ON SIDE EFFECTS**

**ISMS Board Action Taken on 01/28/2023**

**Adopted Resolution 11.2022-23 (A-23), as submitted.**

**Council on Medical Service Recommendation to ISMS Board on 01/28/2023**

The resolution calls for ISMS to support educational initiatives and access to fertility preservation with mechanisms for insurance coverage for undergraduate and graduate medical trainees. The Council was supportive of this resolution, and thus recommends adoption of this resolution.

The Council on Medical Service recommends that the ISMS Board of Trustees adopt Resolution 11.2022-23 (A-23), as submitted.
