

**RESOLUTION 12.2022-27 (A-23)
ELIMINATE ISMS POLICY 200463**

ISMS Board Action Taken on 01/28/2023

Adopted Resolution 12.2022-27 (A-23), as amended by the Council of Medical Service.

Council on Medical Service Recommendation to ISMS Board on 01/28/2023

The Council discussed that such vaccinations should not be mandated, and mandated vaccinations may discourage patients from receiving it. The Council agreed that physicians should encourage or recommend getting this vaccine, but that it should not be mandated. Thus, the Council recommends adoption of the resolution, as amended.

The Council on Medical Service recommends that the ISMS Board of Trustees adopt Resolution 12.2022-27 (A-23), as amended:

~~RESOLVED, that the Illinois State Medical Society (ISMS) rescind Policy 200463, adopted in 2008; and be it further,~~

RESOLVED, that the ISMS support the inclusion of HPV vaccine, as recommended by the Centers for Disease Control's Advisory Committee on Immunization Practices, in the Illinois Department of Public Health's "Minimum Immunization Requirements Entering a Child Care Facility or School in Illinois."
