

**Board Did Not Adopt Resolution
(January 2020)
(Affirmed; 2020 Annual Meeting)**

ILLINOIS STATE MEDICAL SOCIETY

**Resolution 01.2020-37
(A-20)**

Introduced by: J. F. Kelly Carroll, MD, ISMS Member

Subject: Interdisciplinary Care for Substance Use Disorder

Referred to: Council on Education & Health Workforce

1 RESOLVED, that our American Medical Association advocate for all medical
2 subspecialties to become trained to provide evidence-based treatment options for opioid
3 addiction; and be it further

4
5 RESOLVED, for all commercial payers to make MAT a multidisciplinary
6 diagnosis that can be a shared code among several physicians and professionals; and be
7 it further

8
9 RESOLVED, that our AMA strongly support efforts in the community to make
10 MAT housed in Healthplexes and other places where interdisciplinary care is provided.
