**Resolution 04.2019-01
(A-20)**

Introduced by: Amar Davé, M.D., ISMS Member

Subject: Vulnerability of Physicians by Online Rating Services

Referred to: Council on Economics

1 ~~RESOLVED, that ISMS establish a task force to address various ways to make~~
2 ~~these rating services accountable for what goes on their sites. There needs to be~~
3 ~~communication with various insurance carriers to include anti defamation feature~~
4 ~~because we all are vulnerable to unsubstantiated defamatory attacks.~~

5
6 RESOLVED, that ISMS establish a work group to address the vulnerabilities of
7 physicians who are affected by online physician rating services.
