

**Board Adopted Resolution as Amended  
(January 2020)  
(Affirmed; Annual Meeting 2020)**

**ILLINOIS STATE MEDICAL SOCIETY**

**Resolution 11.2019-16  
(A-20)**

Introduced by: Philip Dray, MD, ISMS Member

Subject: CBD Oil Use and the Marketing of CBD Oil

Referred to: Council on Medical Service

---

1       ~~RESOLVED, that ISMS create a policy specifically stating that at this time there~~  
2 ~~is no proven health benefit to CBD oil beyond the single indication for the treatment of~~  
3 ~~two rare epilepsy syndromes and that there are significant risks to health of taking~~  
4 ~~unregulated dietary supplement CBD oil with unknown quality controls; and be it~~  
5 ~~further~~

6  
7       RESOLVED, that ISMS ask the Attorney General of Illinois to investigate  
8 companies and take appropriate action against companies that inappropriately use the  
9 label of MD, physician or doctor in the naming of, or the promotion of, their product;  
10 and be if further

11  
12       RESOLVED, that the advertising of CBD as a component of marijuana, be  
13 banned from places that children frequent and ~~to ask the State Legislature to create that~~  
14 ISMS support or cause to be introduced legislation to prohibit companies from selling  
15 CBD products in Illinois if they make any unproven health and therapeutic claims and  
16 to require companies to include an FDA-approved warning on CBD product labels; and  
17 be it further

18  
19       RESOLVED, that the Illinois AMA delegation submit a resolution asking the  
20 AMA to support banning the advertising of CBD as a component of marijuana in places  
21 that children frequent; and cause to be introduced legislation to prohibit companies from  
22 selling CBD products if they make any unproven health and therapeutic claims and to  
23 require companies to include an FDA-approved warning on CBD product labels.
