

ILLINOIS STATE MEDICAL SOCIETY

**Resolution 12.2021-16
(A-22)**

Introduced by: Raymond A. Dieter, Jr., MD, ISMS Member

Subject: Bathroom Availability and Number

Referred to: Council on Medical Service

1 Whereas, the necessity for daily urination and bowel function is a concern for
2 each individual; and

3
4 Whereas, availability of appropriate bathroom facilities is a necessity; and

5
6 Whereas, many times a need for a restroom facility may be unexpected and a
7 facility location unknown or not accessible to the individual in need; therefore, be it

8
9 RESOLVED, that ISMS advocates for the availability and delineation of a
10 minimal number of available public restrooms; and be it further

11
12 RESOLVED, that ISMS supports a study of community population needs for and
13 the numbers of available public restrooms.

Fiscal Note:
