**Board Did Not Adopt Resolution**  
**(June 2022)**

**ILLINOIS STATE MEDICAL SOCIETY**

**Resolution 11.2021-10**  
**(A-22)**

Introduced by: Philip Dray, MD, ISMS Member

Subject: Administrative Medical License

Referred to: Council on Education & Health Workforce

---

RESOLVED, that the ISMS support legislation to amend the Medical Practice Act to include the category of an Administrative Medical License for physicians who wish to perform solely administrative medicine; and be it further

RESOLVED, that a category of Administrative Medical License be available in the Medical Practice Act to physicians and surgeons that have previously held an unrestricted licensed in the State of Illinois or were previously or now eligible for an unrestricted State of Illinois medical license; and be it further

RESOLVED, that the license is limited to administrative and management actions of policy, business oversight and leadership management decisions and does not allow direct patient care or management and does not allow the practice of clinical medicine, nor the treating, diagnosing, operating or the prescription of drugs, nor the delegation of medical acts or prescriptive authority; and be it further

RESOLVED, that a physician with an administrative medicine license may participate and advise organizations regarding quality, research, medical payments and other administrative health care related policy matters.
