

**Board Adopted Substitute Resolution 11.2018-09 (A-19)
in lieu of Resolution 11.2018-09 (A-19)
Final Action: NEW Substitute Resolution 11.2018-09 (A-19) Adopted
in lieu of Board Adopted Substitute Resolution 11.2018-09 (A-19) (title change)
(Annual Meeting 2019)**

ILLINOIS STATE MEDICAL SOCIETY

**Resolution 11.2018-09
(A-19)**

Introduced by: Holly Rosencranz, M.D., ISMS Member

Subject: Including Education on the Effects of Climate Change Education and the Environment on Health in in Medical School and Residency Curricula

Referred to: Council on Education & Health Workforce

~~RESOLVED, that ISMS adopt a policy for including climate change education in medical school and residency curricula which should include didactics and/or clinical simulation exercises reflecting patient scenarios demonstrating effects of climate change as well as offering opportunities for student engagement in advocacy and mitigation efforts; and be it further~~

~~RESOLVED, to instruct our ISMS delegation to the American Medical Association to bring forth to the next annual house of delegates of the AMA this or an equivalent resolution.~~

RESOLVED, that ISMS adopt a policy that supports integrating information about the effects of climate and the environment on health into the spectrum of medical education; and be it further

RESOLVED, that the title of this resolution be changed to the following:

Resolution 11.2018-09 (A-19), Including Education on the Effects of Climate and the Environment on Health in Medical School and Residency Curricula
